

From the President

Our hot and dry summer continues providing a lot of fun and pleasant playing conditions for us all. Ken remains busy keeping water on the course. Comments from players in the **Bristol Cup** this week were extremely positive. This event is a highlight on our club calendar and is well supported by South Canterbury Clubs every year. Our thanks to Lindsay Hewitson, Morna Hogan and Grant Williams for managing this event along with Daryl in the Pro Shop. Congratulations to the Fairlie Team, winners by a substantial margin with Mayfield the runners up.

Our **caterer** Joan Matehe ended her contract last week heading for a new opportunity in the North Island. Our thanks to Joan, Lindsay and their team for their service over the past 18 months. Our best wishes in your new venture.

It has been a bit of a challenge finding a replacement especially for the Ambrose competition. Fortunately some of our strongest supporters have stepped up to help out. Thank you to Margaret Hayes for catering for the Bristol Cup and Diane and Brian Campbell who will manage the catering on Thursday nights through until the end of March. We are very grateful for your support. I am in the process of seeking someone to provide catering services for the longer term.

It appears that we have an **Instagram Account** but we are unable to establish its origins or identify the account manager. This is a pity given it has 400 followers. If you have any information pertaining to this account please either contact Natasha Brown or myself.

While we hold personal contact information for all of our members we ensure that it is kept confidential for privacy reasons. We do ask members to update their contact information on our Dot Golf Web Page if comfortable in doing so. You will need to log into our website using your membership number, go to MEMBERS then EDIT PROFILE.

Welcome to Levels

A very warm welcome to Rodney Van Steens.

We hope you enjoy our course and hospitality.

Our fiberglass pins have been replaced with heavy duty championship versions. Our thanks to Hayes Golf for sponsorship of the accompanying flags.

We will be coring the greens commencing Monday 13th March weather permitting. Ken has a plan in place to ensure that our course is out of action for as little time as possible. We will keep members advised of our progress.

The fallen trees remain a focus for us. Co-ordinating personnel and machinery has been challenging so we are currently exploring an alternative option.

A reminder to all players to remember to repair pitch marks and carry a sand bucket to repair divots.
