

From the President

Our **GOLF SHOP** renovations are nearing completion with the new flooring installed and painting almost completed. Tables and chairs are ordered / being made and we expect delivery of the coffee machine soon.

We have two **TEE SPONSORSHIPS AVAILABLE**. This is a great way to promote your business and support our club. If you are interested or would like additional information please contact Wayne Sidaway 027 348 2802

The **MONDAY NIGHT SIXES PROGRAMME** and **THURSDAY NIGHT AMBROSE COMPETITIONS** are two highly successful programmes operating during the daylight saving months at our club. Details of each event are shown on the second page of this newsletter. My thanks to Cath Preen and her helpers and Crusher Crossan and his offsider Brian Leonard for running these events.

NOEL BEATSON has been a member of our club since the seventies and part of the Grounds Team for over ten years. During this time he has filled all of the roles and has earned a reputation as a 'problem solver' with a unique ability to read and understand machinery manuals.

Noel currently plays off a 25 handicap and has had a career low of 9. A highlight for Noel was winning the Junior B section of the Club Championships this year for the second time.

Noel has a passion for the game and plans to continue in the game for many years to come.

Thank you Noel for all of your hard work and dedication to our club. Your work does not go unnoticed.

Grounds Report

We had a few **TREES DOWN** in the recent winds, most notably a large tree on No. 5 and two on No.6. Thank you to Russell Stone and our group of volunteers who quickly cleared the course for play.

CORING has gone well and we are confident that the greens will be running well in a couple of weeks' time. Thanks to Ken and his team for getting our course playable as quickly as they have.

Work has begun on establishing a **GRASS NURSERY** behind the former 15th tee. Once in production it will enable us to repair bare areas on the course.

A digger has been on site this week removing stumps from the plantation that was felled last autumn. The committee have made no decisions for this area at this stage.

In the next few weeks the **FAIRWAYS WILL BE FERTILIZED.**

With the development of the **NEW TEE ON FIFTEEN** some players have been driving carts and trundlers on the tee and parking between the 14th green and 15th tee. **PLEASE MAKE SURE YOU PARK TRUNDLERS AND CARTS BETWEEN THE OLD AND NEW TEES ON 15 PRIOR TO PLAYING THE HOLE.**
